

THE HOUSE SYSTEM

- Students are allocated to a house when they enter the school.
- Students will remain in their House throughout their time at Adeyfield School, this will provide continuity and promote a sense of belonging.
- Siblings will be in the same house.
- Form groups will be a mixture of Houses.

The House system will support and enrich the lives of students whilst they are at school and any house activities that are participated in will be rewarded with house points. House activities will take place throughout the year and students will have a direct involvement in what kinds of events will take place throughout the year. They will liaise with staff regarding the organisation of these events but first and foremost the students will take ownership working together to make these events a success.

To move the House system forward it will sit within the Student Forum. Student Forum will be made up of the following from the student body:

- Year 13 Senior Students
- Year 12 House Captains (these positions have to be applied for in writing).
- Year 11 Deputy House Captains (nominated by their year)
- Year 7 – 10 House Representatives

The Forum will meet once a month.
