

28 November 2018

Dear

We have been offered the opportunity to attend the British Standards Institute Careers Inspiration Day on Tuesday 4 December. The BSI is located on Maylands Avenue in Hemel Hempstead.

At the Hemel Hempstead Centre of Excellence Product Testing Laboratory, Test Engineers put various products (from electrical, construction, medical and environmental) through their paces to ensure they measure up and are fit for purpose. The day will consist of a tour of the different product testing areas and talks from key members of the teams on career pathways at the BSI.

We are pleased to say that your child has been offered one of the 10 places on offer. They will be picked up from school at 9.30am and will return by 3.00pm. They will need to bring a packed lunch with them and they will be given refreshments throughout the day. We believe this is a fantastic opportunity to see industry in action.

Please return the reply slip to Student Services as soon as possible. If you have any questions please contact either myself or Ms Wilson at the school.

Yours sincerely

**Miss L. Elmes**  
**Head of the Technologies**
