Dear Parent or Carer

Throughout the year we have a legal obligation to submit information to the DoFfE in the form of a census return.

For the next return we have been asked to submit information not currently held by the school. Therefore, could I please ask you to return the attached slip detailing the nationality of your child/children, as it states on their birth certificate or their passport and their country of birth. If your child/children have dual nationality i.e. they hold two passports, you may give details of both. You are entitled to refuse to provide this information, but a returned slip stating this would be appreciated.

Please do not hesitate to get in touch with the school should you have any queries about this or any other matter.

Yours sincerely

**Scott Martin**
