Dear Parent or Carer

www.adeyfieldschool.org

After three very successful years using the 'Show My Homework' platform to set, access and monitor homework we will be changing platforms from the end of this term. The main reason for this is that there is a similar platform that enables you to access more information about your child in one place. In addition to receiving information regarding your child's homework, you will also be able to see their behaviour and achievement points, and monitor their attendance.

From 16 April 'Class Charts' will replace Show My Homework. The new platform is accessed through a parent PIN which you will receive towards the end of this term. The app can be accessed through Apple and Android stores. You will be issued with parent and student log in details along with further details of how to access the parent portal. There will be a direct link to the system on the school's website.

Your child's tutor will be supporting your child in learning how to access the student portal over the next week.

If your child does not have internet access at home they are able to use the school computers in the Learning Resources Centre at any time during the school day or as part of our Homework Club which takes place Monday-Wednesday in the LRC from 3:10pm-4pm.

We will be running a parent support workshop on Wednesday 28 March. You are invited to attend one of three workshops which will help set you up with the system. Please complete the reply slip below to indicate which workshop you wish to attend.

As a result of the change in platform, we will stop using Show My Homework on 9 March. For the last three weeks of the term students will continue to be issued with homework by staff. Students will be issued with hard copies of their homework including details regarding hand in dates by staff which will be given to the student directly.

If you have any questions or would like further support to use the system prior to that event please do not hesitate to contact me directly at school.

Yours sincerely

Naomi Walker
Assistant Headteacher
