Dear Parent or Carer

We have been delighted to be working with Dr Van der Spoel during the course of the year to support our Year 11 students as they approach their final exams.

Dr Van der Spoel will be running a session for parents on Wednesday 22 March at 7pm here in school. The aim of the evening will be to cover some of the techniques and strategies he is using with our students, and also provide support and strategies for you as parents to support your child as the exams approach.

We do hope you will be able to join us for this evening. It will last no longer than an hour, and we encourage students to accompany their parents.

Please complete and return the reply slip below to indicate if you are able to attend.

Yours sincerely

N. Walker
Assistant Headteacher
