

25 May 2018

Dear Parent or Carer

RE: Higher Education Event St Albans Girls' School on Thursday 21 June 2018

On **Thursday 21 June**, we would like our Year 12 students to take part in a Higher Education Event at St Albans Girls' School. The event is designed to provide students with information about post-16 pathways and will include representatives from Apprenticeship providers, Colleges and Universities. Students will be asked to attend five seminars throughout the day from a list of the following:

- Leonardo - careers and apprenticeships in science and engineering
- Careers in sports - journalism, sport physio and university courses
- Project Trust - gap year opportunities
- ASK - Apprenticeships
- Routes into teaching
- Premier Foods - CV skills
- Psychometric testing/admissions tests
- Oaklands - Foundation degree and Higher National Certificate/Diploma courses
- English Literature
- MBDA - careers and apprenticeships in science and engineering
- Degrees and careers in Psychology
- Premier Foods - Interview skills workshop
- University of Leeds - why Higher Education
- University of Leeds - choosing a university course
- Grant Thornton - careers opportunities and apprenticeships in Accountancy, Business and Finance.
- University of Hertfordshire - studying Geography
- Price Waterhouse Cooper - careers opportunities and apprenticeships in accountancy
- Careers and degrees in health - midwifery, doctor, optometry, nursing and physiotherapy.
- Assessment days/assessment panels

We believe this is a great opportunity for students to find out about future options by tailoring the seminars they attend to their own personal interests and intentions. For this reason we are running the event at no cost to parents or students. Students will be transported to the St Albans Girls' School site and we will return to Adeyfield at the end of the day.

Look smart. Be polite. Work hard.

On the day students should be in reception for 0800 in smart dress. The event finishes at 1520 and we will expect to be back at Adeyfield for 1600.

If you have any queries please do not hesitate to get in touch.

Yours sincerely

Martin Young
Head of Sixth Form
