Dear Parent or Carer

Our student's safety in and around the school premises is of paramount importance for the school.

We are growing increasingly concerned for their safety when they are entering and leaving site due to the location of parked cars directly outside the school gates. This is causing difficulty to students arriving and leaving site, congestion for pedestrians walking past school site and compromising the safety of those using the pavement. I know that this is shared by a significant number of you who have spoken to us to share your concerns.

The student exit from school on Longlands road is at a zebra crossing which has zig-zag line markings either side of the crossing. Under the road traffic laws, it is illegal to park or stop on areas marked with white zig-zag lines and could result in a £60 fixed penalty traffic fine and 3 points on a driver's licence.

Please can I respectfully request that parents and carers picking up or dropping off students do not park on the zebra crossing or zig-zag lines leading up to it so that we can better ensure the safety of our school and wider pedestrian community.

Thank you in advance for your support and co-operation in this matter.

Yours sincerely
