20 March 2017

Dear Parent or Carer

Re: The Real Game Friday 24 March 2017

As part of your child's on-going careers programme we are excited to be running the 'Real Game' on Friday 24 March.

The Real Game is a series of classroom-based programmes developed to help students learn more about themselves and both the opportunities and the responsibilities of adult life in a fun and constructive way. During the course of the day students will explore and learn:

- the importance of education and qualifications in getting the jobs they want
- how occupational choice impacts upon lifestyle
- how to balance monthly income and leisure time
- the roles and responsibilities of the community

Students will be off timetable for the day working through the workshops. As part of this, every student has been allocated a profession for the day. Students are encouraged to dress in theme with their profession and create business cards which they can give out during the course of the day. Any student not dressing for their profession will be expected to be in normal school uniform.

As part of the day students will also have access to our Connexions Advisor who will be able to offer impartial advice and guidance regarding pathways on completion of compulsory education.

We hope this will be a great opportunity for students to continue to explore next steps. If you have any further questions or concerns please contact me directly at the school.

Yours sincerely

Wayne Hutchinson
Head of KS3

Look smart. Be polite. Work hard.
