9 March 2016

Dear Parent or Carer

Further to the information in last week's school newsletter, we are delighted to be launching a new online homework solution called 'Show my Homework'. This online programme will enable staff:

- to set homework
- student's to access their homework tasks
- Parent's to monitor the homework their child is being set

The school will be rolling out the use of 'Show my Homework' across the school from Monday 14 March 2016 with the expectation that all homework will be recorded through the programme by the Easter break.

As part of the launch we would like to invite you to a launch and demonstration evening on Thursday 10 March at 7.00pm. The meeting will last for no more than 30 minutes and will provide an opportunity to see how you will be able to access and use 'Show my Homework' to support your child with their out of hours learning. Further information about how the school will be implementing the programme will be available then.

I look forward to meeting with you on Thursday to explore how 'Show my Homework' can be used to support your child with their homework. Please do not hesitate to contact me at the school if you have any questions.

Yours sincerely

Naomi Walker
Head of Key Stage 3

Look smart. Be polite. Work hard.
