WELL DONE TIA!

On Thursday 4 May Tia Stonehouse (Yr 9) represented Adeyfield in the Combined Athletics County Event. Tia performed at an outstanding level achieving 3 new PB's. Tia ran the 75m hurdles in 12.6 seconds coming second overall and gaining her first new PB. She then went onto shot put where she decided one PB was not enough and threw a distance of 10.04m. Tia did not stop there. Her determination and drive to do better than she did before was evident throughout the whole event. Tia gained her final PB (for now) jumping 5.06m in long jump. Exceptional effort and commitment was shown to every event Tia took part in. Tia took 2nd place overall for junior girl's - only 100 points off 1st place; providing her with the opportunity to compete at regionals. Well done for all your hard work and a massive congratulations!

Book of the Week

"The first time I saw them, I thought they were angels." The baby is sick. Mom and Dad are sad. And all Steve has to do is say, "Yes" to fix everything. But yes is a powerful word. It is also a dangerous one. And once it is uttered, can it be taken back? Treading the thin line between dreams and reality, Steve is stuck in a nightmare he can't wake up from and that nobody else understands. And all the while, the wasps' nest is growing, and the 'angel' keeps visiting Steve in the night...

Global Studies Faculty

In Global Studies we believe it is important that students are aware of the influence they are having on the world around them, including their impact on each other. As such, our brand new faculty rewards scheme is designed around teamwork, respect and creating progress-promoting

learning environments. In return for their hard work and effort we are planning to give the winning class a very relaxing treat!

Ambassador

We have also asked for students to nominate themselves to be GSF Ambassadors. Successful nominees will help us in representing, promoting and creating pride in and around the Global Studies faculty area.
