On Wednesday 4 May students from years 7 – 10 took part in Adeyfield's first Gym & Dance Display!

Students performed on the gym mats for friends and family in the main hall and put on an incredible acrobatic display. There were dance solo's from students in years 7,9 and 10; as well as gym duo's, trio's and group routines. The dance and gym routines consisted of a challenging combination of balances and lifts, as well as tumble sections including a variety of flips, leaps and walk-overs.

It was a fantastic night and the performance will be repeated again for Year 7 to enjoy during Period 5 on Monday 9 May.

Well done to all students that took part and choreographed the routines. A big thank you goes to Alex Wood in Year 7 for his help with the music for the performances.

It was great to see so many there to support the students, they all worked incredibly hard to put on such a great show and we look forward to welcoming you all to many more in the future.

The audience kindly donated on the night and raised over £30 for the Honey Pot Children's Charity, for whom Mr Hutchinson ran the marathon...thank you!
