Book of the Week

Amelia Fang and the Barbaric Ball
by Laura Ellen Anderson

Welcome to the world of Nocturnia, where darkness reigns supreme, glitter is terrifying, and unicorns are the stuff of nightmares! Amelia Fang would much rather hang out with her pet pumpkin Squashy and her friends Florence the yeti (don't call her beast!) and Grimaldi the reaper than dance at her parents' annual Barbaric Ball.

And when the King's spoiled son Tangine captures Squashy, Amelia and her friends must escape the party to plan a daring rescue!

Thinking of hiring a tutor? What questions should I ask?

STUDENT PRINTING & EMAIL

In order to make it easier for students to access the photocopiers/printers in the corridors, they are able to purchase a 'swipe card' from Resources for 80p. Students will no longer have to log into the device manually, instead they can swipe their card and release printing or use the photocopying function.

Students are entitled to a school email address that will enable them to download a free copy of Microsoft Office that remains valid whilst they are a student in this school. They will need to visit IT Support in the Business Block to get the email address set up.
