Book of the Week

The Broken Road by B.R. Collins

Rufus is an apprentice in his father's goldsmith workshop in Cologne, Germany. One day he hears a boy, Nick, preach in the city centre. Nick's message and words are mesmerising and Rufus is spellbound. He is overcome with the desire to follow the flawed yet charismatic young Crusade leader on his journey to the Holy Land. And Rufus is not alone. Many children are captivated just as Rufus is, and leave their homes and families having fallen under Nick's spell. But what begins as a journey of innocence turns, terribly, into a journey of sorrow and despair...

Next Week is: **Jade**

DISNEYLAND PARIS TRIP

14-17 Jul 2017

THIS TRIP IS NOW OPEN TO YEAR 8 STUDENTS!

(LETTERS HAVE BEEN SENT HOME)

As two students of Adeyfield School we have been given the opportunity to run Jump Rope For Heart in aid of the British Heart Foundation. We delivered an assembly to all year groups and have been promoting the fundraiser to raise awareness of the severity of cardiovascular fitness.

The reason we feel so passionate about the work that the British Heart Foundation does is because we have a few teachers that have suffered when it comes to heart health. To know people personally who benefit from the work that they do makes their work a lot more special as it affects our school family. The majority of us are lucky enough to be born with a healthy beating heart. However, 1 in every 180 babies suffer from a heart defect and in the UK. Somebody dies of a heart attack every seven minutes. As well as this, 3 in 20 of us will suffer from heart disease at some point in our lives. To know that the work the BHF does could one day save one of my friends or family members' lives really makes the work they do even more special.

We started delivering our lessons on 11 July. In order to encourage the students, we invited a bunch of teachers to take part in a Teachers Sponsored Skip. Participants included our Headteacher as well as other teaching staff and even the receptionists came down to support. Thank you to everyone who has taken part in this incredible event, both staff and students. We managed to raise £167. It's so overwhelming to see our whole school family work together to try and create an impact on other people's lives. A massive thank you to Miss Hulatt for entrusting us with the responsibility of leading such an inspiring event. It's been an amazing week and we hope that the money we have raised can help change lives for the better.

Amy & Cameron (Year 10)

PLANET ICE
ICE SKATING FUN - FOR EVERYONE
OCTOBER HALF TERM
21st - 31st OCTOBER

MONDAY, TUESDAY & THURSDAY 10AM TILL 4PM,
