Citizenship Curriculum Overview: Year 11

Overview	In Year 11, students complete the content for their GCSE examinations. They continue developing their understanding of the broad curriculum as well as their analytical, written and oracy skills. We continue with the key themes of the Citizenship curriculum as well as reflecting on their Citizenship in Action project and building the skills required to complete and succeed in their GCSE examinations.

Term	Focus	Assessment

Autumn 1 and 2 Theme D (Power and Influence)	• In this section students revisit key ideas about democracy, rights and responsibilities in Themes A–C as they explore ideas about power.
	• They consider power in relation to the ways in which citizens, governments and the media exercise power and influence in a range of local to global situations.
	• Students will compare and contrast representative democracy in the UK with a non-democratic political system and the limits this places on the rights and freedoms of citizens.
	• Key questions explored:
	  ● What power and influence can citizens have?
	  ● What role and influence should the media have?
	  ● Does the UK have power and influence in the wider world?
