Dear Parent/Carer,

Re: Home School Agreement

I am writing to remind our school community about the importance of reviewing and signing the 'Home School Agreement' for the 2026-2027 academic year.

The document outlines the vital partnership between the school, families and students. It details our shared commitments to ensuring your child receives the highest standard of education, personal development and pastoral care in a safe, supportive environment.

We kindly ask that you and your child read through the [Home School Agreement](#) together. Once reviewed, please fill out the attached [Google Form](#) by **Friday 16 October 2026**.

Strong communication and shared values between home and school are essential to every student's success. Thank you for your continued partnership and for helping us maintain an environment where our students can thrive.

If you have any questions before then, please email admin@adeyfield.aetrust.uk stating 'Home School Agreement' in the subject heading.

Yours Sincerely,

Mr M Molokwu
