Dear Parent/Carer,

Re: Launch of Reward Trips

We firmly believe that recognition trips are an important part of our work on character education. They provide opportunities to reward hard work while actively shaping the positive character and mindset of every child. Therefore, we are pleased to announce that our Termly Recognition Trips will be running for students in Key Stage 3 and Key Stage 4. Students who consistently demonstrate our Five Star Values; ambition, dignity, respect, compassion and courage will be invited to attend a trip which will take place during the normal school day once per term.

In order for students to qualify for our Rewards Trips, they will need to meet the criteria which is detailed below. Please support your child in being a '5 star student' by encouraging them to be punctual to school and lessons, contribute positively to lessons, access our extra curricular opportunities, wear their uniform correctly and be a role model to others.

Please note: Students with medical absences will not be excluded from reward based trips on this criteria alone

Heads of Years will have '**Golden Tickets**' available for students who are making positive choices every day, but may not have met one of the Rewards Trip criteria. I will be in contact again towards the end of the Autumn Term with parents / carers of those students who have been invited to attend the trip with further information.

If you have any questions before then, please email admin@adeyfield.aetrust.uk stating '**Launch of Reward Trips**' in the subject heading.

Yours Sincerely,

V G Hutchinson
