Dear Parent/Carer,

Re: Virtual Year 7 Parents' Evening – Thursday 12 November 2026

We would like to invite all Year 7 parents to our '**Virtual Year 7 Parents' Evening**' on Thursday 12 November 2026 between 4:00pm and 7:00pm. This evening is an opportunity to discuss individual subject progress and how we can support your child in the coming months of study. It is vital that parents/carers attend in this crucial year of education in order to fully support your child.

We will be using the parents' evening booking system '**School Cloud**', which will enable you to meet with your child's teachers for a five minute appointment via a video link. Your call will take place directly through School Cloud and can be accessed from any device with a camera and audio, such as a mobile phone or tablet.

To ensure that appointment availability is managed fairly, we will initially release **7 appointment slots per child**. Parents can then decide what subjects they wish to book. This first booking window opens at **4:00pm on Tuesday 13 October 2026**. Any remaining appointment slots will then be released at **4:00pm on Monday 19 October**, providing a further opportunity for parents and carers to book.

Please note; there is only one slot per student, per subject and these will be allocated to the parent/carers who is registered on our system as the first priority contact.

To book your appointments once School Cloud opens please click [here](#). You will be required to input your details, along with your child's name and date of birth. These details will need to match those that we hold on our system in order to log in.

Please click [here](#) to see a 'how to' document to guide you through a video-call – please note this is a generic document so does not refer to The Adeyfield Academy.

If you are having trouble booking or do not have a device that can access the call please email admin@adeyfield.aetrust.uk with '**Year 7 Virtual Parents' Evening**' in the subject line.

Yours Sincerely,

Miss Polson
