Dear Parent/Carer,

Re: Year 10 Careers Information, Advice and Guidance Meetings

We are delighted to inform you that our 1-to-1 Careers Information, Advice and Guidance (CIAG) meetings for Year 10 students are now underway.

At The Adeyfield Academy, we are creating a comprehensive, school-wide careers programme designed to showcase a wide range of pathways, options and future opportunities for our students. Our tailored 1-to-1 careers appointments sit alongside this broader programme to ensure every student receives personalised support as they navigate Key Stage 4 and consider their future career choices.

Introducing Our Careers Team

To support our students every step of the way, we have a dedicated team leading our careers provision:

- Myself - Careers Lead
- Mrs Lomas - Level 6 Careers Advisor

Professional Guidance & Confidentiality

Our Registered Careers Advisor operates under the Career Development Institute (CDI) Code of Ethics. This ensures that 1-to-1 meetings are conducted on a confidential basis, providing an open, honest and impartial space focused entirely on your child's individual interests and aspirations.

Digital Tools & Action Plans

To further enhance their career journey, students are supported using interactive platforms including Unifrog and our innovative Startlight AI tool, which helps students explore personalised career paths based on their unique skills and interests.

Following their meeting, a personalised action plan will be produced and uploaded directly to your child's Unifrog account. Because these action plans belong to the student to empower their own career journey, we encourage you to discuss the meeting with them at home and they may choose to share their plan with you directly from their Unifrog profile.

We are committed to guiding and empowering our young people to achieve bright, successful futures. If you have any general questions about our careers provision, please do not hesitate to contact us at careers@adeyfield.aetrust.uk.

Thank you for your continued support and partnership.

Yours Sincerely,

Mrs H Fariello
Careers Lead
