

THE ADEYFIELD ACADEMY

Learning Without Limits

LSH/jhl

14 September 2026

Dear Parent/Carer,

Re: Year 10 Welcome Evening Information

Thank you to parents/carers who were able to attend the information evening, for those unable to attend please find below some information that was shared at the meeting.

Home Learning and Revision

Students in year 10 will be set one piece of home learning per subject per week, this work should take up to 60 minutes to complete. This work should be placed on Edulink so you can view it at home.

We would also ask that students are regularly going over the class content and completing revision. This revision should contain active recall, requiring students to recall content that they have looked at previously. Year 10 will cover the below revision techniques in form time as we get closer to assessments:

- Look, cover, write, check
- Mindmaps
- Flashcards
- Past paper exam questions

You can support your child with revision by:

- Providing a place to study at home/ asking them to use the school home learning club if this is not possible
- Encouraging your child to break their revision up into small twenty minute chunks
- Checking that your child's revision involves them actively recalling information
- Allowing your child to teach you the content that they are revising to prove they know it

Many subjects also have fantastic CGP revision guides. You can check the subjects exam board and content on our website, under curriculum.

The links below will give you additional information on revision and how you can help your child to be successful:

Destinations

During year 10, each student will receive a 1:1 careers guidance meeting from an external provider, to help them make an informed ambitious decision. Below is a diagram that shows the different level of qualification they could continue onto:

- Level 1 - Level below GCSE (functional skills)
- Level 2 - Equivalent to GCSE
- Level 3 - Level above GCSE

ACE School of
CHARACTER

Artsmark
Silver Award
Awarded by Arts
Council England

A Level (Level 3)	Vocational/ Apprenticeship (Level 3)	T Level (Level 3)	Vocational/ Apprenticeship (Level 2)	Vocational (Level 1)	Vocational (Entry Level)
A minimum of 4 subjects at grade 5 or above plus English Language at grade 4 or above. Exact requirements will vary according to the subject.	5 subjects at grade 4 or above including English and/or Maths. Exact requirements will vary according to the course.	Please refer to individual curriculum T Level offers for entry requirements.	4 subjects at grade 3. Exact requirements will vary according to the course.	3 subjects at grade 2. Exact requirements will vary according to the course.	There are no formal entry requirements.

As always, we want to support the students to achieve the best destination possible whether this be a level 3 apprenticeship or A-levels, that would allow them to progress onto a university degree.

Support

We appreciate that KS4 can be a challenging time for some of our students, as they deal with additional pressures like exam stress. As a school we would like to continue to offer support and to work with you to ensure that your child's well-being is taken care of. If you have any concerns, the first port of call will be your child's form tutor. You are able to email them through the Edulink app directly.

Calendar

Whilst some of the specific dates may change, below outlines the activities that year 10 will have access to over the upcoming year.

Autumn Term

Bold Voice

Autumn assessments - **Monday 02 November 2026 - Wednesday 11 November 2026**
