

THE ADEYFIELD ACADEMY

Learning Without Limits

AHE/jhl

14 September 2026

Dear Parent/Carer,

Re: Year 11 Information

Year 11 students have settled into their first week really well and it was a pleasure to see so many students and parents for the **Year 11 Information Evening** on Thursday 10 September 2026. For those unable to attend, the presentation will be uploaded onto the [school website](#) in the coming days.

Year 11 Interventions:

Year 11 students have been provided with an intervention timetable (attached). These intervention sessions will continue throughout the year and form a key part of our wider support strategy for students. The purpose of these sessions is to help students consolidate their learning, address any gaps in knowledge or understanding, develop confidence in key skills and ultimately maximise their academic outcomes as they progress towards their examinations.

If your child has been selected to attend one or more of these intervention sessions, we kindly ask for your support in ensuring that they attend regularly, arrive on time, and engage positively with the support being offered. Consistent attendance at these sessions is crucial in helping students make sustained progress and build the skills and knowledge required for success.

Morning Interventions - English, Maths and Science:

The morning sessions are for students that have been selected to attend one, or more of our morning intervention sessions for English, Maths or Science. No special arrangements are required as students will be collected from line up each morning by the member of staff who is running the session. Each student has been invited as we firmly believe that with the correct, targeted support, your child will be able to achieve their potential or even better. Each session will run through morning registration and will not impact their lessons in any way. Sessions will run every day, with the exception of Mondays due to our assemblies.

Year 11 Key Dates:

Please find a list of some of the key dates relating to Year 11. In the next two months, we fully expect students to attend school and maximise the interventions on offer.

- Open Evening: **Thursday 24 September 2026**
